all of us have immense inner resources for dealing with what life throws at us but we have to learn how to release those resources we can t always control what life sends us but we can choose how we respond and that easwaran tells us is mainly a matter of quieting the agitation in the mind it s a simple idea but one that goes deep a truly calm mind can weather any storm and we learn to calm the mind through practice there s no magic about it this book offers insights stories practical techniques and exercises that will help us release the energy compassion and wisdom we need to ride the waves of life minute by minute day by day

the author of the dramatic writer s companion offers forty two new exercises to help playwrights and screenwriters explore develop and strengthen their work will dunne first captured the workshop experience in the dramatic writer s companion offering practical exercises to help playwrights and screenwriters work through the problems that arise in developing their scripts now writers looking to further enhance their storytelling process can turn to character scene and story featuring forty two new workshop tested exercises this volume allows writers to dig deeper into their scripts by fleshing out images exploring characters from an emotional perspective tapping the power of color and sense memory to trigger ideas and trying other visceral techniques the guide

*also includes a troubleshooting section to help tackle problem scenes as well as hundreds of examples many of which have been developed as both plays and films character scene and story is fully aligned with the new edition of the dramatic writer's companion with cross references between related exercises so that writers have the option to explore a given topic in more depth while both guides can stand alone together they give writers more than one hundred tools to develop more vivid characters and craft stronger scripts*

*this new book from the author of the dramatic writer's companion approaches some of the same issues as its predecessor but from a slightly different angle it offers playwrights screenwriters and other dramatic writers in depth analysis of the dramatic architecture of three award winning contemporary american plays doubt a parable by john patrick shanley topdog underdog by suzan lori parks and the clean house by sarah ruhl each relatively brief chapter is devoted to a specific story element from characters and main event to emotional environment and back story with subsections that break down this element in each of the plays readers can choose to read across the chapters to follow the analysis of each play but the structure gives primary emphasis to the story elements comparing and contrasting how different writers have successfully handled them each chapter ends with a set of questions to help readers analyze and develop that element in their own work*

*features a comprehensive guide to american dramatic literature from its origins in the early days of the nation to the groundbreaking works of today's best writers*

*brilliant even more ambitious than vogel's how i learned to drive it covers more ground and is bolder in its storytelling vogel's language is at its most poetic eloquent and elegiac in fact its vivid imagery rivals the prose style of any great american short story writer the play sounds like it might have been adapted from a beautiful undiscovered novella new haven register one of the most absorbing evenings of theatre to come along in some time variety past and present collide on a snowy christmas eve for a troubled family of five humorous and heart wrenching this beautifully written play proves that magic can be found in the simplest breaths of life combining the elements of no theatre and bunraku with contemporary western sensibilities vogel's ride is a mesmerizing homage to the works of thorton wilder including our town a moving and memorable study of the american family careening near the edge of oblivion paula vogel's plays include the baltimore waltz mineola twins hot n throbbing desdemona and baby makes seven among others ms vogel will be the resident playwright during the signature theatre's 2004-05 season dedicated to her works she has taught at brown university in the mfa playwriting program since 1985*

*christopher bigsby explores the works and influences of ten contemporary american playwrights john guare house of blue leaves tina howe museum and approaching zanzibar pulitzer prize and tony award winner tony kushner angels in america emily mann annulla an autobiography and having our say richard nelson an american comedy marsha norman the secret garden david rabe in the boom boom room pulitzer prize winner paula vogel desdemona a play about a handkerchief wendy wasserstein the sisters rosenzweig and pulitzer prize winner lanford wilson talley's folly bigsby examines in some detail the developing careers of some of america's most fascinating and original dramatic talent in addition to well known works bigsby discusses some of the latest plays to reach the stage this lively and accessible book by one of the leading writers on american theatre will be of interest to students scholars and general theatre goers alike*

*the dramatic text workbook and video explores the expressive potential of language and how you as an actor director or teacher can develop the skills to release that potential in rehearsal and performance written by acclaimed voice teachers david carey and rebecca clark carey this practical textbook shows how to bring together the power of language with voice and provides practical approaches to each aspect of verbal expression with the aid of classical and modern scenes and speeches chapters consider sound speech sounds and how to use them more expressively image bringing life and specificity to images when you speak sense how to focus on the most significant words and phrases in a speech or scene rhythm how rhythm is created and used in both verse and prose argument the structure or logic of language the dramatic text workbook and video a new edition of the verbal arts workbook includes a revised introduction updated reading lists and access to over 90 minutes of online video workshops exploring the key techniques and tactics discussed in the book*

*the art of governance is an essential guide for trustees in the performing arts and for the artists managers and community leaders who work with them this book provides the larger context in which trustees govern the art artists history institutions and national policies of the performing arts and also explores more practical issues such as board development planning finance and fundraising a wide range of distinguished artists trustees managers and consultants have contributed articles covering everything from the art of theater to understanding financial statements an invaluable tool for building an enlightened and inspired board this resource above all recognizes the need of trustees in the performing arts to find a balance between the uncertainty of artistic creativity and the need for fiscal stability editors nancy roche and jaan whitehead have served on the boards and staff of numerous theater organizations nancy roche has been a trustee of center stage in baltimore since 1987 serving as president of the board for seven years and as interim managing director for one year she has been a consultant on governance for the national arts stabilization now national arts strategies a councilor of the maryland state arts commission from 1992-1999 and has twice served as lay panelist for the nea in the summer of 2000 she participated as a theater trustee in the national critics institute at the eugene o neill theater center in waterford connecticut returning in the following summer as a founding member of their week long trustees program she is a founding member of the national council for the american theatre and serves as a trustee and treasurer of the board of theatre communications group in addition she serves on the boards of the roland park country school the institute for christian jewish studies and the baltimore school for the arts she is a graduate of dominican university and received an ma in teaching and an lla both from the johns hopkins university jaan whitehead currently chairs the board of the siti*

company an ensemble theater in new york led by anne bogart she has served on the boards of the acting company arena stage living stage and the whole theatre company where her particular interests have been board development and institutional change she has also been a trustee of theatre communications group and the national cultural alliance an arts advocacy group in washington and is a founding member of the national council for the american theatre in addition to her work as a trustee she has been executive director of theatre for a new audience in new york and development director of centerstage in baltimore ms whitehead graduated from wellesley college holds a ma in economics from the university of michigan and early in her career works as an economist for private industry and the federal reserve board she received her phd in political theory from princeton in 1988 she taught at georgetown university for several years but as her involvement in theater deepened she made the arts her main work while retaining her interests in economic and political theory drawing on this background she has recently been writing a series of essays on the challenges facing the arts in a commercial society

a companion book to author thomas hischak's earlier volume *Enter the Players: New York Stage Actors in the 20th Century* (Scarecrow Press, 2003) *Enter the Playmakers: Directors and Choreographers on the New York Stage* explores the lives and careers of over three hundred directors and choreographers who worked in the new york theatre famous artists like elia kagan and jerome robbins are featured alongside lesser known or new talents all of whom have contributed to the american theatre a biographical sketch outlines the life and career of each director and choreographer explaining their strengths and talents and what makes them unique this is followed by a chronological listing of every play or musical that the artist staged in new york including details such as dates venue broadway off broadway etc and whether the production was a new work or a revival presenting artists from the mid 18th century up through current favorites like daniel sullivan susan stroman doug hughes and kathleen marshall the book includes traditionalists like harold clurman and gower champion avant garde artists elizabeth lecompte and richard foreman and directors and choreographers noted for various styles genres and theatre movements internationally recognized artists such as max reinhardt and peter brook whose productions had an impact on the new york theatre are also included by listing all of the artist's new york credits each entry gives a vivid picture of the stage career of these important directors and choreographers

in this exciting new anthology wesley brown and aimée k michel bring together six wonderfully teachable plays by some of the greatest american women dramatists of the past fifty years ntozake shange suzan lori parks paula vogel lynn nottage beth henley and susan yankowitz the editors provide a helpful introduction to the last 100 years of theatrical activity from suffrage and anti lynching plays through the explosive 1960s to recent broadway triumphs highlighting women's struggle a struggle that continues to put their vision and voices on the american stage elin diamond rutgers university usa this volume celebrates the iconoclastic power of six american women playwrights who pushed the boundaries of the form outside the box of conventional drama each play is accompanied by a short introduction providing the biographical background of the playwright as well as discussing the dramatic style of her writing the extent to which her work is informed by major playwrights of the period and how the specific work illustrates the overarching themes of her body of work the plays included are *gun* by susan yankowitz *spell 7* geechee jibara *quik* *magic* *trance* *manual* for technologically stressed third world people by ntozake shange *the jacksonian* by beth henley *the baltimore waltz* by paula vogel *in the blood* by suzan lori parks *intimate apparel* by lynn nottage

applause books what was the play that changed your life what was the play that inspired you that showed you something entirely new that was so thrilling or surprising breathtaking or poignant that you were never the same nineteen of today's most gifted playwrights respond in this most revealing and personal book published by applause books and presented by the american theatre wing founder of the tony awards from edward albee's 1935 visit to new york's hippodrome theatre to see jimmy durante and an elephant in rodgers and hart's *jumbo* to diana son's twelfth grade field trip in 1983 to see diane venora play *hamlet* at the public theater from david henry hwang's seminal san francisco encounter with equus to a young beth henley's epiphany after seeing her mother in a green bean man costume the play that changed my life offers readers a unique peek into the theatrical influences of some of the nation's most important dramatists the book is filled with tributes memories anecdotes and other insights that connect past to present and make this volume an instant must have for anyone who adores the theatre also in the book are pieces by david auburn jon robin baitz nilo cruz christopher durang charles fuller a r gurney tina howe david ives donald margulies lynn nottage suzan lori parks sarah ruhl john patrick shanley regina taylor and doug wright as well as an introduction by paula vogel all together the playwrights featured here have won more than 40 tony awards pulitzer prizes obies and macarthur genius grants

actors need to learn not only how to use their voice but to use voice and language together this book is about the expressive potential of language and how actors can develop the verbal skills to release that potential written by tutors at the royal academy of dramatic art and authors of the successful companion title *the vocal arts workbook* and dvd this book includes each aspect of verbal expression sound how to develop a sensitivity to the qualities of speech sounds and use them more expressively image how to bring life and specificity to images when you speak sense how to focus your energy on those words and phrases that convey what is most significant in a speech or scene rhythm how rhythm is created and used in both verse and prose argument how to understand the structure or logic of language and speak with authentic energy this book puts it all together using one classical and one modern scene as examples each of the chapters consists of several sections addressing the learner throughout framework exploration exercises follow up suggested texts and further reading and also provides teaching tips that give specific notes for teachers

the cambridge companion to american theatre since 1945 provides an overview and analysis of developments in the organization and practices of american theatre it examines key demographic and geographical shifts american theatre after 1945 experienced in spectatorship and addresses the economic social and political challenges theatre artists have faced across cultural climates and geographical locations specifically it explores artistic communities collaborative practices and theatre methodologies across

mainstream regional and experimental theatre practices forms and expressions as american theatre has embraced diversity in practice and representation the volume examines the various creative voices communities and perspectives that prior to the 1940s was mostly excluded from the theatrical landscape this diversity has led to changing dramaturgical and theatrical languages that take us in to the twenty first century these shifting perspectives and evolving forms of theatrical expressions paved the ground for contemporary american theatrical innovation

# Decoding the Ounce: Understanding Grams and Ounces

Weight measurement can be confusing, especially when dealing with different systems. The United States primarily uses the avoirdupois system, employing ounces and pounds, while most of the rest of the world utilizes the metric system, with grams and kilograms. Understanding the relationship between ounces and grams is crucial for various tasks, from baking and cooking to shipping and medicine. This article will demystify this conversion, breaking down the process step-by-step and providing practical examples.

## Understanding the Basics: Avoirdupois vs. Metric

Before diving into the conversion, let's briefly review the two systems. The avoirdupois system, used in the US, defines an ounce (oz) as a unit of mass, with 16 ounces making up one pound (lb). The metric system, used globally, defines a gram (g) as a fundamental unit of mass, with 1000 grams equaling one kilogram (kg). These systems operate independently, requiring conversion when comparing measurements.

## The Conversion Factor: How Many Grams are in an Ounce?

The core of our discussion lies in the conversion factor: there are approximately 28.35 grams in one ounce. This is an approximate value because the conversion isn't perfectly whole. For most practical purposes, using 28.35 grams per ounce is accurate enough. However, for scientific applications requiring higher precision, you might need to use a more precise value, depending on the context.

## Applying the Conversion: Practical Examples

Let's illustrate the conversion with some real-world scenarios: **Baking a Cake:** A recipe calls for 8 ounces of flour. To convert this to grams, we multiply:  $8 \text{ oz} \times 28.35 \text{ g/oz} \approx 226.8 \text{ grams}$ . Therefore, you would need approximately 226.8 grams of flour. **Shipping a Package:** A package weighs 1.5 pounds. First, convert pounds to ounces:  $1.5 \text{ lb} \times 16 \text{ oz/lb} = 24 \text{ oz}$ . Then, convert ounces to grams:  $24 \text{ oz} \times 28.35 \text{ g/oz} \approx 680.4 \text{ grams}$ . The package weighs approximately 680.4 grams. **Medical Dosage:** A medicine is prescribed at a dose of 30 grams. To convert this to ounces, we divide:  $30 \text{ g} / 28.35 \text{ g/oz} \approx 1.06 \text{ ounces}$ . The dose is roughly 1.06 ounces.

## Beyond Basic Conversion: Dealing with Decimal Places

Often, conversions involve decimal values. For example, if you need to convert 3.7 ounces to grams, you perform the calculation:  $3.7 \text{ oz} \times 28.35 \text{ g/oz} \approx 104.7 \text{ grams}$ . Remember to always round your answer appropriately based on the required level of precision. Rounding to one decimal place (as in the examples above) is generally sufficient for everyday applications.

# Key Takeaways and Practical Application

Understanding the conversion between grams and ounces is essential for anyone dealing with measurements in both the US customary and metric systems. Remember the approximate conversion factor of 28.35 grams per ounce. Practice the conversion process with different values to build your confidence and proficiency. Mastering this conversion will allow you to seamlessly transition between the two systems, making various tasks easier and preventing errors.

# Frequently Asked Questions (FAQs)

1. Is 28.35 grams per ounce an exact conversion? No, it's an approximation. The exact conversion factor is 28.3495231 grams per ounce. However, 28.35 is accurate enough for most purposes. 2. How do I convert ounces to kilograms? First, convert ounces to grams using the factor 28.35 g/oz, then divide the result by 1000 (since there are 1000 grams in a kilogram). 3. Can I use an online converter for this? Yes, many reliable online converters are available to perform quick and accurate conversions between grams and ounces. 4. Why are there two different systems of measurement? The avoirdupois system has historical roots, while the metric system is a more standardized, internationally accepted system. 5. Which system is more commonly used globally? The metric system (grams and kilograms) is the more widely used system globally, while the avoirdupois system (ounces and pounds) remains prevalent in the United States.
